

HOPE *in our* FUTURE

'You are the light of the world. A city built on a hill cannot be hid. No one after lighting a lamp puts it under the bushel basket, but on the lampstand, and it gives light to all in the house. In the same way, let your light shine before others, so that they may see your good works and give glorify to your Father in heaven.'
Matthew 5:14–16

I want future generations to enjoy the same gift I have received. Providing for Saint Peter's in my will is a way of making a significant and lasting contribution to the Parish's ministry. *Sam Walsh AO*

For more than a century, Saint Peter's has been a light to the world, and to the people of Brighton Beach.

As the Parish's major gift program, 'Hope in our Future' is seeking to raise the substantial level of bequest income that will enable Saint Peter's not only to survive, but to thrive. 'Hope in our Future' is aimed at securing the future of the parish, so that Saint Peter's remains a light to the people of Brighton Beach throughout the twenty-first century.

Gifts may be made either by provision in your will or by donation. To make a gift, or to receive further information, please contact any of the following:
